Form 1040CM-X available for Amendments to Income Tax Return

The Division of Revenue & Taxation would like to inform the general public that the Form 1040CM-X is now available and required for taxpayers who would like to amend the 1040CM income tax return. Taxpayers who filed a 1040CM amendment without the 1040CM-X attachment may experience delays as a 1040CM-X is required for an amendment to be processed. DRT will send notices to affected taxpayers regarding their pending status and required submission of a 1040CM-X to complete the amendment process. All taxpayers are reminded to mark the checkbox at the top-left corner of the amended 1040CM and attach the Form 1040CM-X. See below sample:
